

CPA EXAM PREPARATION

ABOUT THIS PROGRAM

Keller's CPA Exam Preparation graduate certificate program is designed for students interested in preparing for the CPA exam by focusing on professional competency in accounting through completion of advancing accounting coursework. Coursework covers financial statement reporting and disclosures, taxes, investments, working capital management, cost of capital, and financial forecasting from a business perspective.

The certificate is designed as a standalone credential, some credits from which are transferable to the Master of Accounting and Financial Management program.

To support their goals, students interested in CPA Exam Preparation can focus their studies on either Advanced Accounting or Professional Leadership.
